

# FGIA Councils, Committees and Task Groups List

## **Architectural Products Council (APC)**

Building Information Modeling (BIM) Task Group (AAMA 912)  
Curtain Wall Rain Screen Task Group (AAMA CW-RS-1)  
Design Guide for Metal Cladding Fasteners TG (AAMA TIR-A9)  
Methods of Test Committee  
Curtain Wall/Window Wall Spandrel Review TG (AAMA TIR-AXX)  
Quality Assurance and Water Leak Diagnostic Field Test Task Group  
Methods of Test for Exterior Walls Update Task Group (AAMA 501)  
Seismic and Wind-Induced Inter-Story Drift Review (AAMA 501.4/501.7)  
Testing Criteria of Commercial Fenestration Updates Task Group  
Test Method for Thermal Cycling of Exterior Wall Review (AAMA 501.5)  
Test Method for Surface Temperature Assessment for Condensation  
Evaluation of Exterior Wall Systems Review Task Group  
Storefront Manual Update Task Group  
Thermal Barrier Task Group (AAMA TIR-A8)

## **Combined Architectural and Residential**

AAMA Certification Policy Committee (CPC)  
Accredited Independent Laboratories Committee  
Lab Workshop Task Group  
Structural Test Deflection and Permanent  
Deformation Gauge Placement Review Task Group  
Superficial Cracking in Frames Task Group  
Certification of Coatings on Vinyl Profiles Work Group  
Certification of Fenestration using Thin-triple IGUs Task Group  
Profile Certification Procedural Guide Review WG (AAMA 109)  
Window Opening Control Device (WOCD) Listing Requirements WG  
AAMA Finishes Committee  
Color Space Task Group  
Dry Film Thickness Requirements Task Group  
Steel Coating Specification Task Group  
Americans with Disabilities Act (ADA) Test Methods for Hardware TG  
APC/RPC Research Committee  
Automation Task Group  
Commercial Fenestration Product Installation Instructions Task Group  
Comparative Analysis Update Task Group (AAMA 2502 Update)  
Field Test and Forensic Investigation Document  
Update Task Group (AAMA 502/511)  
Hardware Committee  
Hardware Performance Workshop Task Group  
Open Vent Safety Testing Task Group  
Side-Hinged Door Hardware Task (AAMA 903/909)  
Steel Component Corrosion Task Group (AAMA 907)  
Window Opening Control Device (WOCD) Update Task Group  
Joint Document Management Group (JDMG) (APC/RPC/CSA/WDMA)  
NAFS Committee  
Decoupling Air-Water-Structural Perform. Work Group (NAFS)  
Secondary Storm Products Task Group  
Security Screens Task Group  
Thermal Performance Standards Update Task Group  
Weathering Committee  
Weatherstrip Committee (AAMA 701/702)  
Accelerated Weathering Require. for Weatherstrip Task Group  
Weathering of Finishes Task Group  
Window Selection Guide Update Task Group (AAMA WSG)

## **Combined Architectural, Glass, and Residential**

Acoustical Information Document Development Task Group  
APC/RPC/GPC Acoustical Substitution Task Group  
ASTM Advisory Work Group  
Joint Window Safety Task Force (WDMA)  
NFRCA/AERC Advisory Committee

## **Glass Products Council (GPC)**

GPC Advisory Committee  
GPC Guidelines Task Group  
GPC Research Committee  
Field Correlation Task Group (ASTM E2190)  
Gas Content Measurement Validation Task Group  
Laser Absorption Spectroscopy Work Group  
GPC/IGCC Advanced Fenestration Testing Task Group  
GPC Research Objectives and Guidelines Task Group  
Processed Glass PCR Task Group  
Vacuum Insulating Glass (VIG) Load Resistance Testing Task Group  
IGCC/IGMA & IGMAC Certification Committee  
Performance Criteria of Desiccants Task Group (TM-2100)  
Fabricator Considerations for Large Glass Products TG  
IG Sealant Task Group (IGMA TM-2400)  
Insulating Glass Mfg. Quality Procedure TG (IGMA TM-4000)  
Quality Assurance for Insulating Glass Spacers Task Group (TM-2000)  
TB-1250-2019 Polyisobutylene (PIB) Primary Sealant Task Group  
TM-4500 Series Document Review Task Group  
Vacuum Insulating Glass (VIG) (IGMA TB-2600) Task Group  
IG Technical Services Committee  
Considerations for Spandrel Use in IGUs Task Group  
Design Considerations for Multiple Cavity IGUs TG (IGMA TM-1300)  
Glazing Guidelines Task Group (IGMA TM-3000)  
Optical Effects of Muntins Task Group  
Pressure Adjustment Task Group  
Preventing Glass Breakage Task Group (SIGMA TR-3401)  
Preventing IG Failures Document Task Group (TM-4100)  
Sealant Adhesion Test (TB-2700) Task Group  
Thin Glass Use in Multi-Cavity IGUs Task Group  
Unsupported Edge Conditions (TB-1800) Task Group  
Visual Quality Guidelines Task Group (IGMA TM-3100)

## **Residential Products Council (RPC)**

RPC Standards Gap Analysis Task Group

## **Steering Committees and Regions**

Code Action Steering Committee (CASC)  
Education Steering Committee (ESC)  
Fenestration Safety Committee  
FenestrationMasters Program Management Committee  
IG Fabricator Workshop  
InstallationMasters Program Management Committee  
Online Education Committee  
FENBC Region Board of Directors  
FENBC Region Government Relations Committee  
FENBC Region Technical & Education Committee  
Marketing & Engagement Steering Committee (MESC)  
Onboarding Task Group  
Scholarship Advisory Committee (*dormant*)  
Sustainability Web Page Task Group  
Regulatory and Legislative Steering Committee (RLSC)  
Canadian Regulatory and Legislative Work Group  
U.S. Regulatory and Legislative Work Group  
Southeast Region (SER) Board  
SE Region Technical Committee  
ASCE-7/SEI Design Wind Loads to Fenestration Product Ratings  
Document Task Group  
Florida Sea Turtle-Friendly Glass Design Task Group  
Sustainability Steering Committee (SSC)  
Embodied Carbon in Construction Calculator (EC3) Task Group  
Technical Steering Committee (TSC)  
Western Region (WR) Board  
Wildland-Urban Interface Task Group

### **Aluminum Material Council (AMC)**

AMC Finishes Committee (AAMA 611/612/2603/2604/2605)  
AMC Accelerated Weathering Task Group  
AMC Non-Chrome Pretreatment Feasibility Task Group  
Anodized Abrasion Resistance Task Group  
Anodized Specification Task Group (ASTM G85)  
Architectural Aluminum Handling, Cleaning and Maintenance Task Group  
Corrosive Environment Coating Task Group  
AMC Marketing Committee

### **Door Council**

Specification for Determining Forced Entry Resistance of Side Hinged Door Systems Update TG (AAMA 1304)

### **Fiberglass Material Council (FMC)**

Fiber Reinforced Thermoset Profiles Update Task Group (AAMA 305)  
FMC Finishes Committee (AAMA 623/624/625)  
FMC Lamination Task Group (AAMA 305)  
FMC Sustainability Task Group  
FMC Update of Specifications for Reinforced Thermoplastic Profiles (AAMA 310) Task Group

### **Skylight/Sloped Glazing Council**

Glass for Skylights and Sloped Glazing Task Group  
Skylight Installation Guide Update Task Group (AAMA 1607)  
Skylight/Sloped Glazing Codes & Regulatory Affairs Committee  
Skylight and Sloped Glazing Code Roof Aperture Task Group  
Skylight Fall Protection Task Group  
Skylight/Sloped Glazing Document Management Comm.  
Skylight/Sloped Glazing Marketing Committee  
Skylight/Sloped Glazing Light Diffusion Metric  
Skylight Selection and Daylight Design Guide Task Group

### **Vinyl Material Council (VMC)**

PVC Solar Reflectance Study Group  
VMC Vinyl Profile Performance Std. Maint. Task Group (AAMA 303)  
Extended Outdoor Vinyl Profile Weathering Study Task Group  
VMC Black Color Space Study Group  
VMC Chlorinated PolyVinyl Chloride (CPVC) Study Group  
VMC Document Management Committee  
VMC Environmental Stewardship Committee  
Off Gassing/Volatile Organic Compound (VOC) Vinyl Profile Study Group  
VMC Finishes Committee (AAMA 613/614/615)  
VMC Alternative Accelerated Weathering Task Group  
VMC High-Performance Thermoplastic Exterior Glazing Bead and Accessory Task Group  
VMC Marketing Committee  
VMC PVC Recycling Study Group  
VMC Weatherable Surfaces  
VMC Weatherable Surfaces Thru Glass Study Group  
VMC Weathering Testing through Glass Study Group  
VMC Specs. for Laminates for Use on AAMA Cert. Profiles TG (AAMA 307)  
Welded PVC Corners, Angles Other than 90° Task Group (AAMA 320)

### **Wood & Cellulosic Composite Material Council (WCCMC)**

Rigid Thermoplastic/Cellulosic Composite Classification Standard Update TG (AAMA 309)  
WCCMC Finishes Committee (AAMA 312/633/653)  
WCCMC Workshop on Pretreatment, Non-pretreatment, Manufacturing of Cellulosic Product TG  
WCCMC Marketing and Sustainability Committee

### **Wall Interface Council (WIC)**

Fenestration Product Installation Best Practices Committee  
Fenestration Sealants Maintenance Committee (AAMA 800)  
Fenestration Sealants for Installation Task Group (AAMA 800)  
FGIA/WDMA Installation Committee  
Flashing Committee (AAMA 711/712/713/714)
